Complete Solution for Construction

## About us

- Who we are
- Portfolio and Experience
- Success Strategy

## Who we are

- Green con Engineering - General Contractor, Romanian company.
- Local leader in industrial construction market
- Main activities:
  - Turnkey Industrial Construction
  - Design / proiectare & Execution
  - Civil and Agricultural Constructions

## What we offer

- Consultancy services in designing and execution of industrial and civil constructions
- Effective solutions tailored to projects
- Complete package of engineering services and construction design
- Modern management and highly qualified technical staff

## What we offer

- Consultancy services in designing and execution of industrial and civil constructions
  - Effective solutions tailored to projects
  - Complete package of engineering services and construction design
  - Modern management and highly qualified technical staff
  - Efficient design and assistance on projects
  - Production and erection of steel and concrete structures
  - Industrial / Commercial prefabricated buildings, halls, warehouses, auto services, showrooms
  - Agrozootechnical rooms, silos, stables
  - Loading ramps, roads, pavements
  - Internal and external refurbishments
  - Drilling water wells, water tanks, swimming pools, water treatment plants
  - Electrical installation works, plumbing, heating, currents

# Project List

- Service Transconstruct Snagov - infrastructure, suprastructure, architecture
- Rezentativ Peugeot Bucharest - infrastructure, suprastructure, architecture
- Alliance Construct Otopeni - infrastructure, suprastructure, architecture
- Redox Lab Supplies Com - infrastructure, suprastructure, architecture
- Zefir Otopeni - infrastructure, suprastructure, architecture
- Fit Speed Sfantu Gheorghe - infrastructure, suprastructure, architecture
- Service Eurototal Campina - infrastructure, suprastructure, architecture
- Depozit Bergenbier Bucharest - infrastructure, suprastructure, architecture
- Showroom presentation Yamaha Pipera - interior finishing
- Commercial complex Iulius Mall Timisoara - interior finishing
- Commercial complex Iulius Mall Cluj - interior finishing
- Complex of villas str. Parcului-Bucuresti – ANL - interior finishing
- Complex apartments –str. Sabinelor-Bucuresti - interior finishing
- Complex of villas – Pipera-str. Iancu Nicolae - interior finishing
- Birouri clasa A - Business Center-Iulius Mall Cluj - interior finishing
- Commercial complex Iulius Mall Suceava - interior finishing

## Project List

- Spiroplast Romania - infrastructure, suprastructure, architecture
- Geplast Romania - infrastructure, suprastructure, architecture
- Deposit Bergenbier Buzau - infrastructure, suprastructure, architecture
- Commercial complex TransAlicom Bz - infrastructure, suprastructure, architecture
- Deltanav Tulcea- office building - infrastructure, suprastructure, architecture
- Euronet Miercurea Ciuc/production hall - infrastructure, suprastructure, architecture
- MegaProfil Buzias Office and production - infrastructure, suprastructure, architecture
- Vincon Vrancea Deposit - infrastructure, suprastructure, architecture
- RomCarbon Buzau, production building - infrastructure, suprastructure, architecture
- GreenFiber Buzau, production building - infrastructure, suprastructure, architecture
- Greentech Iasi rehabilitations/consolidation - infrastructure, suprastructure, architecture

# Project List

- Top Service Otopeni office hall service - infrastructure, suprastructure, architecture
- Topwash Bucharest - infrastructure, suprastructure, architecture
- BauProfile Bucharest storage hall - infrastructure, suprastructure, architecture
- ProdInvest Buzau - infrastructure, suprastructure, architecture
- AgentTrade Bucharest - infrastructure, suprastructure, architecture
- AutoRic Bucharest - infrastructure, suprastructure, architecture

# Our own mecanisation

- Komatsu automotive excavator
- Caterpillar backhoe loader
- BobcatKomatsu automotive excavator
- Case compact loader
- Telemac 12 T autocrane
- 12,5 T autocranes
- 10 T vibratory soil compacter
- Kobelco 3,5 T compact excavator

# Our own mecanisation

- Alfa 27s tower cranes;
- JCB telehandler;
- Altitude working platforms;
- Civil lorries, Automotive concrete mixers;
- Utility vehicles, Trailers;
- 25 T crane, 50 T crane-arm 56m
- Dieci rotating telescopic loader

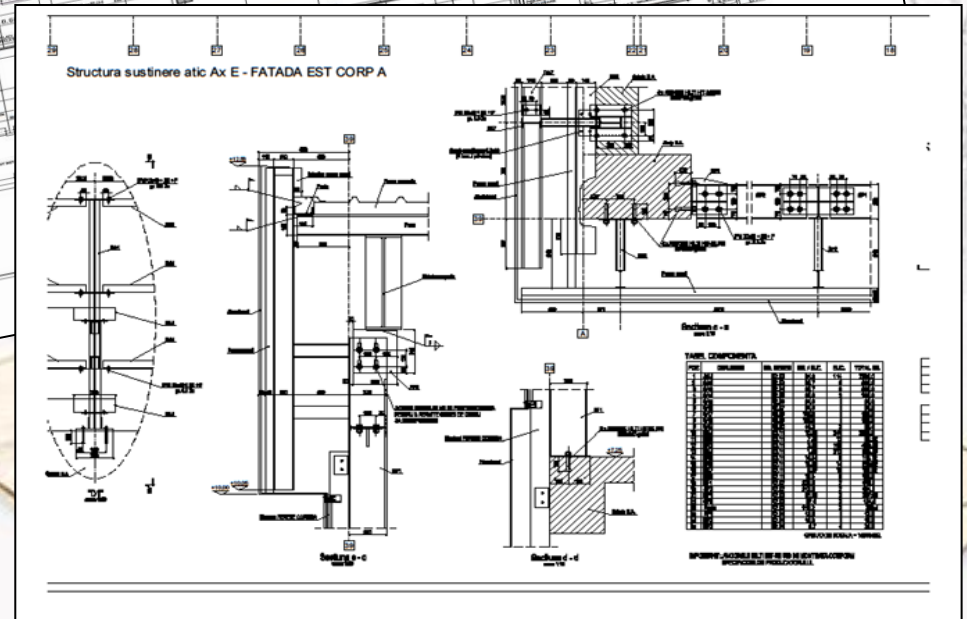

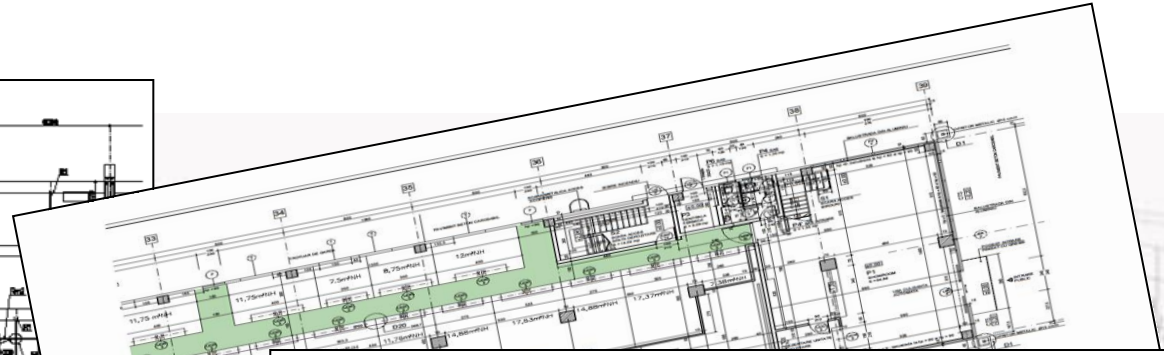

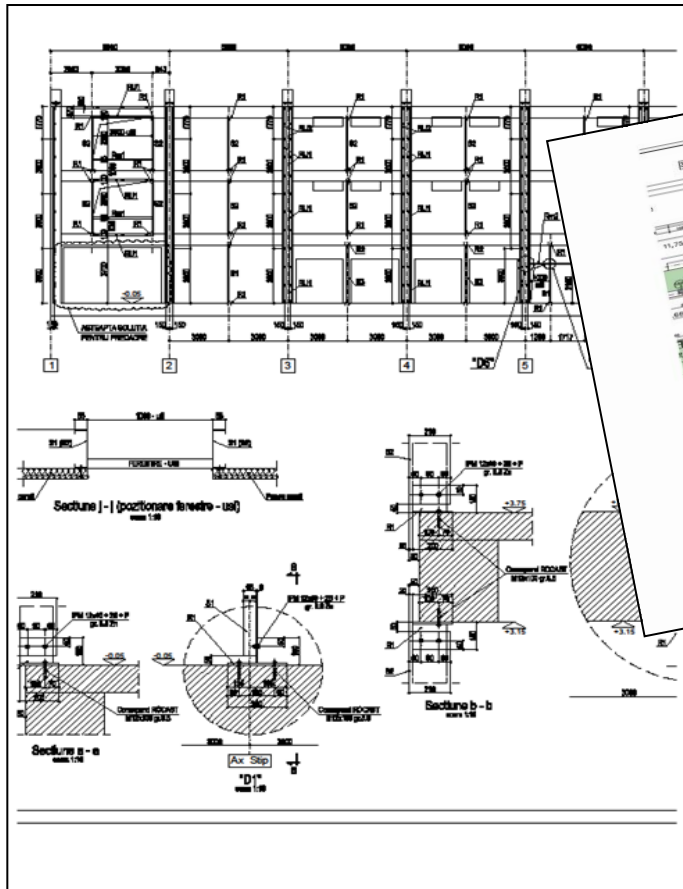

# Our own mecanisation

# Portfolio & Experience

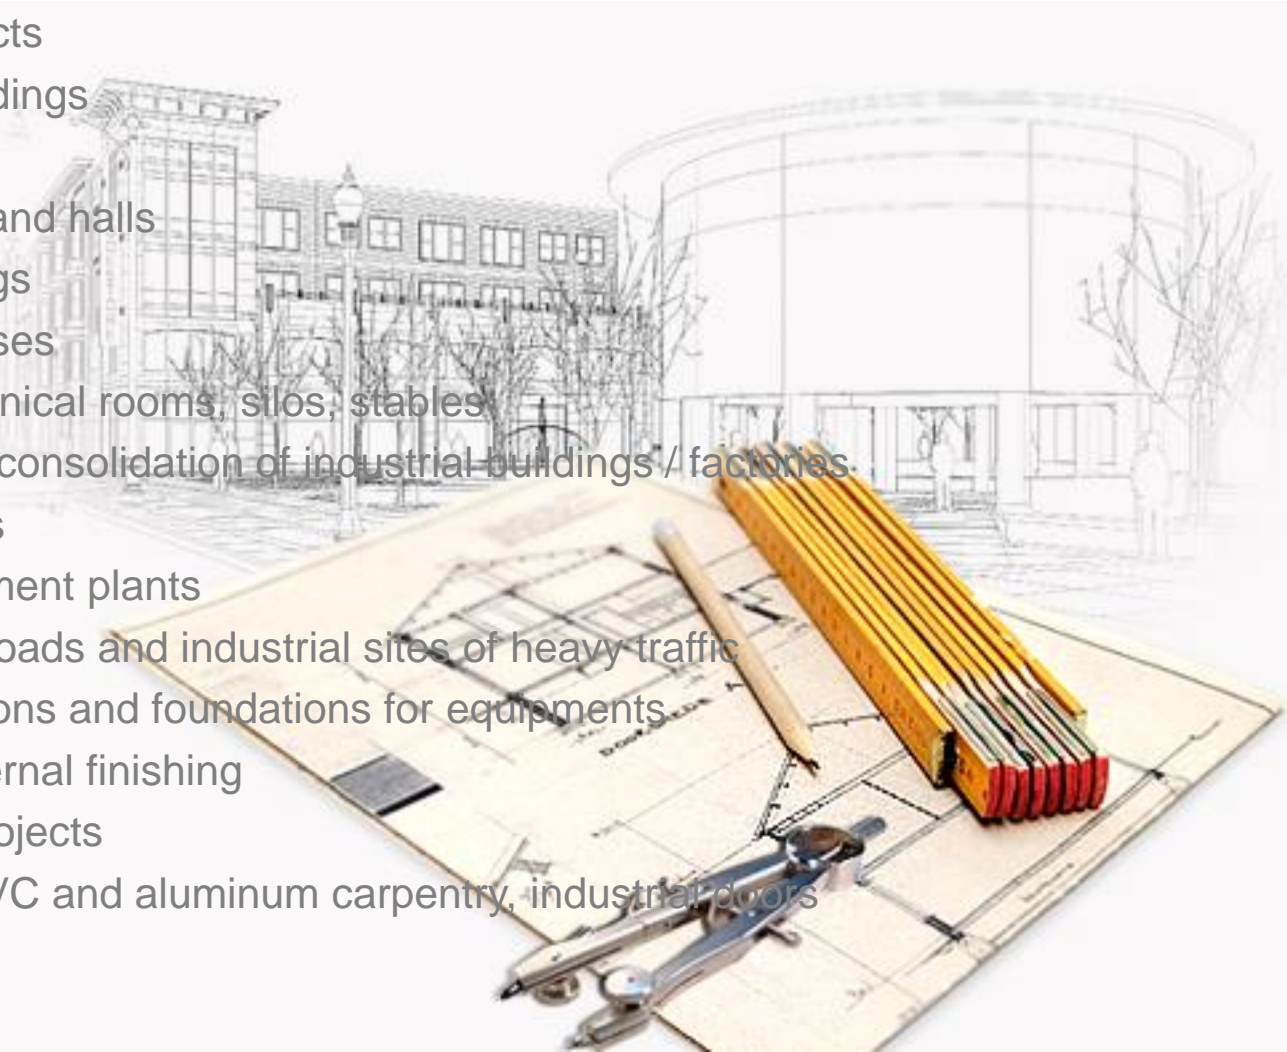

## Our achievements

- 10 years de uninterrupted activity
- 300.000 m<sup>2</sup> metallic structures
- 120.000 m<sup>2</sup> warehouses
- 15.000 m<sup>2</sup> residential buildings
- 10.000 m<sup>2</sup> offices
- 100.000 m<sup>2</sup> platforms and parking

# Our experience

- Greenfield projects
  - Industrial buildings
  - Factories
  - Warehouses and halls
  - Office Buildings
  - Slaughterhouses
  - Agro-zoo technical rooms, silos, stables
- Renovation and consolidation of industrial buildings / factories
- Logistic platforms
- Wells and Treatment plants
- Loading ramps, roads and industrial sites of heavy traffic
- Special foundations and foundations for equipments
- Internal and external finishing
- Infrastructure Projects
- Curtain walls, PVC and aluminum carpentry, industrial doors
- Industrial floors
